Extent of fishing waters (marked in red on map)

- **River Thame south bank.**
- **The Mill Stream.** Note that fishing is not available in the Overy mill pool. The land to the west of our boundary is privately owned.
- When school visits are on the meadow, normally on a Wednesday during school time, you are requested to leave the northern area by the oak tree free.
- Buck Pool eastern bank (over weir and sluice bridges). No fishing: private land.

Please respect the countryside in this conservation area.

- Please take your litter home.
- Please leave the river banks and trees as you found them.
- Please do not light fires.
- Please return all fish to the water immediately.
- Please do not use lead weights or discard any fishing line in the water or on the bank. Both can be lethal to birds and other wildlife.
